

### **Tri Marine Policy Regarding Purchases from PVR Vessels - Longline**

In accordance with the provisions of ISSF Conservation Measure 7.5 (ProActive Vessel Register Requirements) which entered into force on December 31, 2019, Tri Marine makes public the percent of purchase made from albacore, yellowfin and bigeye tuna **longline vessels listed on the PVR.**

- 2020 - PVR registered longline vessels: 30.3%

Tri Marine International is fully committed to our intention of increasing purchases from longline vessels registered on the PVR.
